

2022 Annual Report

LOVE GOD. LOVE OTHERS.

FIND PURPOSE. MAKE A DIFFERENCE.

Welcome

In January 2020, we started off the New Year with a series called, "You're Welcome Here!" We were preparing to emphasize the church as being where people should feel welcomed. We also held a Family and Friends day in March 2020, where we saw our highest attendance since Easter...and then the pandemic hit. Initially, we thought we were only canceling our in-person worship experience for one Sunday. However, this led to gathering and worshipping virtually for almost two and a half years.

Finally, we resumed our in-person worship experience on Easter in 2022. It has been a journey indeed! We found ourselves slowly returning and seeking to re-establish ourselves in many areas. If there was one word to describe this new season it's "rebuild." Though our church has been in existence since 2016, it felt like we were starting over. Yet, in the midst of everything, God showed Himself strong. We were still able to love God, love others, find purpose, and make a difference throughout the pandemic. We continued to worship God on Sundays, gather in small groups throughout the week, and serve those in need. We were also able to reach new people and see individuals become members of our church. The following pages are just a small snapshot of what God has done. We are forever grateful for your generosity, sacrifice, and prayers during this difficult season. We are confident, as the Apostle Paul stated in Philippians 1:6, that He who began a good work in us will complete it!
